

I want to thank everyone who participated in Z-Flock & Dock 6.0 this past weekend. After the tragic loss of one of our brothers on the first day, the rest of you managed to find a way to make the best of the event as I'm sure any one of us would want people to do in the wake of our sudden departure from this planet. A special thanks to Scott, Jarno of Phoenix-Fly, Sean, Spot and Scotty for helping with the organization of the event and thanks to Jojo, Stefan and Tom for helping me to set up and tear down. I want to thank Janine from the Hard Dock Cafe' and Paul from the Sunset Bar at Skydive City for keeping us fed and hydrated all weekend. Thanks to manifest for keeping the loads going to the best of their ability. A special thanks goes out to all of the sponsors who donated some really cool prizes for the drawing Saturday night. You guys are all awesome and it couldn't have been done without you.

To Zach, Scott and whoever else was involved in the instigation of the presentation of the beautiful plaque in my Robert's name... there really are no words. I am filled with love and pride for him. Thank you from the bottom of my heart for such a wonderful gesture.

To all of our fallen brothers and sisters: Fly Free...
