Measurements in:

- cm  
 inch

### MEASUREMENTS

Please take your measurements carefully. We are unable to make your wing suit fit you without your correct measurements. Study the diagram to assist you. Get someone to help you, and double check each measurement. Measure yourself over a T/shirt and thin trousers. Do not add anything to your measurements. If we receive incorrect measurements, we will have to charge for modifications. Take all these measurements around the widest part, except the waist.
